Price	**218.99 £**
Number	**SL-0088**

Product description

LICENCE WORLD - DIGITAL DELIVERY

Licence information

Activation through the manufacturer's official mechanisms according to the purchased variant instructions.

The server edition and licence terms define usage rights. Match cores, instances and required CALs to the deployment.

Global key. Supports all languages available for this product edition. Platform compatibility follows the product offer.

Software download link and step-by-step installation and activation instructions.

Security updates are available only during the manufacturer's support lifecycle for the specific edition.

A compatible 64-bit server environment is required.

Electronic delivery to the email address supplied in the order.

LicenceWorld is an independent software retailer. After-sales assistance is available by email for the supplied licence and its installation or activation instructions.

No physical DVD, USB media, box or COA sticker.

Features and uses

A relational database engine for business applications, SQL queries and data management.

Server + CAL model: the offer title states the included CAL count. Every accessing user or device needs the appropriate entitlement.

Requirements and compatibility

Before purchasing, check the exact edition, platform, architecture and manufacturer requirements for the operating system, CPU, RAM and disk space. Back up your data before installation.

Installation instructions

Check edition and platform compatibility with your environment.

Use the installer and instructions supplied for the purchased variant.

For questions about the purchased licence or the supplied instructions, email LicenceWorld with your order number and the activation message, if applicable.

Frequently asked questions

How is the product delivered?

Electronically to your order email address. Check Spam and Promotions too. No physical media is shipped.

Does ESD mean OEM or Retail?

ESD describes digital delivery. Usage, transfer and reactivation rights depend on the specific licence variant.

Does purchase include other versions or services?

It covers the product stated in the title. Other editions, additional devices and cloud services require separate entitlements.
